KARTIKEYA MISHRA

GRAPHIC + UI DESIGNER

PROFILE

Creative and detail-oriented Graphic + UI Designer with hands-on experience in visual design, digital content creation and UI design. Builds modern, professional and engaging visuals for social media, branding and digital products using industry-standard tools. Currently working as a Graphic Design Intern while developing advanced graphic and UI/UX design skills.

EXPERIENCE

Graphic Design Intern Aug 2026 – Present

Abhyaas Classes • Gorakhpur, Uttar Pradesh

- Create social media graphics and promotional creatives for digital platforms.
- Design educational and marketing content for online audiences.
- Work on posters, festival creatives, video content and other visual communication materials.
- Apply typography, composition, colour theory and branding principles to real-world projects.

Operation Manager 2019 – 2025

Perfect Shine Global Co., Ltd • Bangkok, Thailand

- **Procurement & Quality Control:** Oversee end-to-end gemstone purchasing from local vendors and Indian markets, grading every stone to ensure quality, authenticity and competitive pricing.
- **International Trade & Export Compliance:** Manage cross-border export processes, customs clearance and logistics for secure international dispatch.
- **Sales Operations & Global Exhibitions:** Drive international business development and client relations, representing the company at major trade shows in Bangkok and Hong Kong to showcase gemstone and jewelry collections, negotiate high-value contracts and expand market presence.

Gemstone Manager 2017 – 2019

Sachi Jewelry Factory

- Managed gemstone inventory and maintained inventory records using Excel.
- Supervised gemstone-related operations, including buying and purchasing activities.
- Coordinated day-to-day gemstone department work and inventory management.
